*Brand-Free Greeting - is included with all premium international and toll-free numbers which removes the "FreeConference.com" at the beginning of your call so the greeting to your callers becomes Brand-less.

**Free International vs. Premium International - Every free account has access to a selection of numbers in more than 15 countries around the world. Depending on individual phone plans, long-distance fees may apply. FreeConference.com does not, however, charge a fee to use. International Plus is included with the premium upgrades. It offers a more extensive list of international dial-ins, totalling more than 50 countries around the world.

***Premium Minutes and Overage - The Starter, Plus and Pro Plans include 100, 500 and 750 FREE premium minutes per month, respectively. This means each month you are allocated a total of the designated minutes to use with both international plus dial-ins and toll-free dial-ins combined. Minute usage above the allocated minutes for the month will be charged at a discounted rate of \$0.10 (Starter), \$0.08 (Plus) and \$0.06 (Pro) per minute, per caller.

****Online Meeting Participants - The maximum number of people who can join in you in online meeting room. All of these participants can view any shared video or shared screens.
